

**New Life Outreach**  
Lesson Three  
Month Twelve, Step Twelve

**Step 12:** *Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, addicts and those who struggle with compulsive behaviors, and practice these principles in all our affairs.*

**Memory Verse:** 1 Peter 3:15, “But in your hearts set apart Christ as Lord. Always be prepared to give an answer to everyone who ask you to give the reason for the hope you have. But do this with gentleness and respect.”

**Practicing the principals of the Twelve Steps.** The principles of the twelve steps can be applied to every area of our lives, the more we practice or apply the principals the more they become part of who we are. The important word here is “practice”! We need to do what needs to be done.

Our eyes have been opened! We seem to see things in a different perspective, as God shines His light upon our daily path. The Twelve Steps have taken us through some hard places but have released us from bondage and restored our lives! Just when we thought we had no hope God stepped in when we asked Him to, and did the most impossible miracle of all time. We became so excited about the changes that we are compelled to share this message of hope, love and forgiveness with others who are still struggling! And put these principles to work in our lives.
